

Things Our Horses Say

lessons learned from over 500 Horse Communication sessions

74%
of horses
need their
teeth doing...

17%
of horses
would prefer
not to be
ridden...

Diet
50% need a diet
change, ie something
added - or more
commonly, removed -
from their diet.

63% of
horses are
here to Learn,
36% are
here to Teach.

62%
of my readings
are for Geldings,
38%
are for Mares

49%
of saddles
don't
fit...

In a recent survey I
did, only 6-8% of
dogs, cats, and
horses were
unhappy

36%
of horses are
not structurally
sound for
riding...

Only
about
1%
have a worm burden.

They're thrilled
that someone is
listening to their
opinions &
feelings

50%
have
ulcers

**Most
common
questions
asked:**

affected by
their
Gelding Scar?
70%

31%
are in
pain...

Please note that these stati-
are my experience only!

Is he happy?
What does he need?
Does he like me?
What can I do to make him
happier / healthier?
What job would he rather do?
